MANICURE & PEDICURE
INSTRUMENTS CATALOG

PRECISION. QUALITY. EXCELLENCE.

At Zenith Plus, we believe exceptional instruments are defined by precision, craftsmanship and reliability. Every instrument is manufactured with careful attention to detail to deliver the sharpness, performance and durability that professionals expect.

From manicure and pedicure instruments to eyelash and eyebrow tweezers, we are committed to providing **high-quality professional tools with consistent standards and refined finishing.**

YOUR DESIGN. OUR EXPERTISE.

Can't find the exact instrument you are looking for in our catalogue?

Simply share a **picture, sample or specification** with us. Our experienced manufacturing team can develop and produce the instrument according to your requirements, whether you need a specific shape, size, finish or design.

We also provide **OEM and private-label manufacturing solutions**, helping businesses create professional instruments under their own brand.

OUR PROMISE

- Precision Manufacturing
- Premium Quality Materials
- Exceptional Sharpness & Performance
- Custom Instrument Development
- OEM & Private-Label Solutions
- Professional Finishing & Quality Control
- Reliable Service & Worldwide Cooperation
- 2-Year Warranty on Sharpness & Manufacturing

At Zenith Plus, we don't simply manufacture instruments — **we build quality that represents your brand.**

Professional Instruments. Exceptional Standards.
